3. HOW TO ARRIVE TO LEÓN

Cybersecurity
summer
bootcamp

LEÓN - 2017

3.1.- FROM SPAIN

By train (Renfe 🔗)

- Madrid – León route by high speed train: **2 hours and 15 minutes (approximately).**

- In Madrid, trains to León depart from Madrid Chamartín Station.

- Renfe offers Cybersecurity Summer BootCamp attendees a 30% discount on ticket prices. If you want to benefit from the discount, please send us an email to contacto_SummerBC@incibe.es

By bus (Alsa 🔗)

- Madrid – León route by direct bus: **4 hours (approximately).**

- In Madrid, buses to León stop at Adolfo Suárez Madrid-Barajas Airport, at the Estación Sur Bus Station and at the Moncloa Interchange Station.

By plane (Air Nostrum 🔗)

- Although the only regular destination operated by León Airport 🔗 is Barcelona, in summer some seasonal flights are made to other destinations. It is recommended to consult the website for updated information.

In private vehicle

- Main national communication hubs converge in Leon, which allows the comfortable and simple arrival to the city by private vehicle.

- Madrid - Leon journey by car: **3 hours and 30 minutes (approximately).**

3.2.- FROM OUTSIDE SPAIN

▪ Most of the international flights to Spain land at Adolfo Suárez Madrid-Barajas Airport 🔗 (Madrid, 343 km from León) or at Barcelona-El Prat Airport 🔗 (Barcelona, 784 km from Leon)).

🔗 How to reach Madrid-Barajas Adolfo Suárez Airport by public transport

4. WORK DYNAMICS IN CYBERSECURITY SUMMER BOOTCAMP

Cybersecurity
summer
bootcamp

LEÓN - 2017

For two weeks you will live an intense program combining practical workshops, seminars and role-play activities with leisure activities and sightseeing tours around the city.

The academic activities of Cybersecurity Summer BootCamp will take between 5 and 8 hours a day from Monday to Saturday and will take place in different locations.

The organization offers you private buses to facilitate transfers between locations.

LEÓN

START

4.1.- LOCATIONS

Cybersecurity Summer BootCamp is held in five different [locations.](#)⚭ You can check on the [event map.](#) ⚭

4.2.- ACADEMIC PROGRAM

Area of specialization

CERT: Incident Response Centers

LEA: Law Enforcement Authorities

PM: Policy Makers (political, administrative, judicial and fiscal careers, regulatory and legislative bodies).

11 groups have been defined with different academic programs depending on the area of specialization of the participants, the level of the group and the language of delivery of the program.

Group	Area of specialization	Modality	Language	Place of delivery
01	CERT	Basic	Spanish	University of León *(CRAI-TIC building, Class 111, 1st floor)*
02	CERT	Basic	English	University of León *(CRAI-TIC building, Class 106, 1st floor)*
03	CERT	Advanced	Spanish	University of León *(CRAI-TIC building, Class 110, 1st floor)*
04	CERT	Advanced	English	University of León *(CRAI-TIC building, Class 104, 1st floor)*
05	FCSE	Basic	Spanish	University of León *(CRAI-TIC building, Class 102, 1st floor)*
06	FCSE	Basic	Spanish	University of León *(CRAI-TIC building, Class 002, Ground floor)*
07	FCSE	Advanced	Spanish	INCIBE bulding *(Class 002, 3rd floor)*
08	FCSE	Advanced	Spanish	University of León *(CRAI-TIC building, Class 109, 1st floor)*
09	PM	Standard	Spanish	University of León *(CRAI-TIC building, Class 101, 1st floor)*
10	PM	Standard	Spanish	University of León *(CRAI-TIC building, Class 001, Ground floor)*
11	PM	Intensive	Spanish	INCIBE bulding *(Class1, 3rd floor)*

In advance you will know what your group is and you will be able to consult the [detailed academic program](#) 🔗 in the web of the event. This page is updated periodically, we recommend you check it to be aware of possible news.

The overcoming of the program involves the attendance of 68 hours of face-to-face training and the completion of 82 hours of individual work by the student, which is equivalent to 6 ECTS credits (European Credit Transfer and Accumulation System).

If you participate in the Policy Maker intensive program, the course includes 45 hours of face-to-face training and 105 hours of individual work, equivalent to 6 ECTS credits.

At the end of the program, students who have participated in a minimum of 95% of teaching hours will receive a Certificate of Aptitude issued by the University of León (ULe) and a Diploma of attendance issued by the National Institute of Cybersecurity Of Spain (INCIBE) in collaboration with all participating entities.

4.3.- ROLE - PLAY

As part of the training program and as a novelty this edition, Role-Play sessions will be held where groups of about 15 people (mixed attendants from different tracks: CERT, LEA and Policy Makers) will participate in order to foster cooperation between them and work on a case study.

In advance you will know what your group is for Role-Play (different from the training workshops) and you can consult the calendar and details of this activity on the event website.

This page is updated periodically, we recommend you check it to be aware of possible changes.
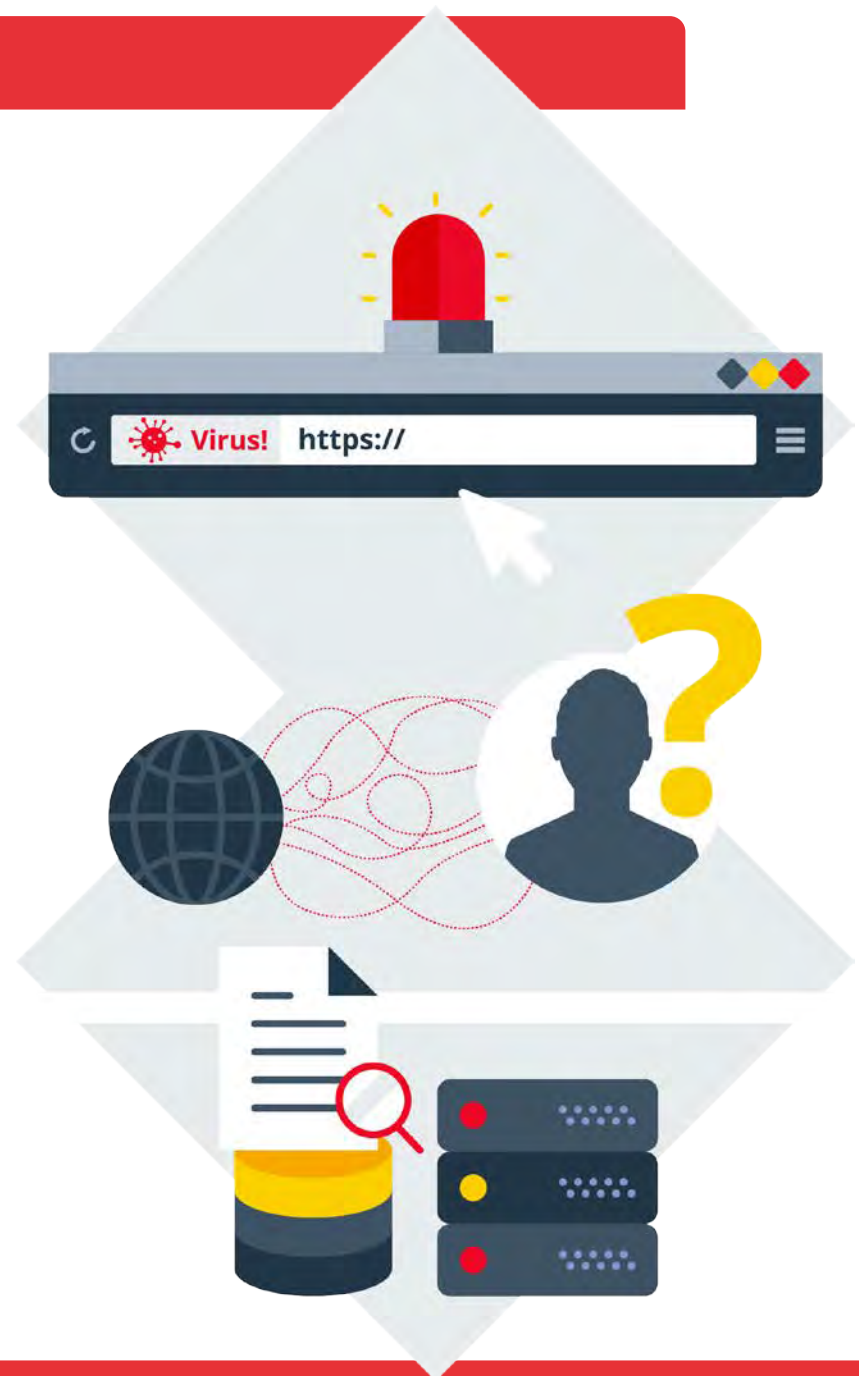

4.4.- LEISURE PROGRAM

At the end of the training sessions you can rest, enjoy the city or, if you wish, participate in activities of the leisure program that the City of León and INCIBE propose you to make your stay in our city unforgettable.

To facilitate coordination of activities and organization in smaller groups, small teams have been defined and will participate in the activities at different dates and times.

The definition of the leisure program teams is independent of the academic program groups. If the academic program seeks the thematic homogeneity of the participants, in the case of the leisure plan is intended to encourage contact between professionals from different sectors and nationalities. You can enjoy your leisure time by meeting people from different groups.

You will know in advance what your teams are and you will be able to consult in the leisure program 🔗 the specific details about date, time and duration of the activity, as well as the meeting point.

📌 IMPORTANT

Participation in the leisure program is voluntary.

In order to facilitate the logistics of activities, those attending Cybersecurity Summer BootCamp **who do not wish to participate in activities 1 and 2** can send an e-mail to: contacto_SummerBC@incibe.es **before July 11**.

Activity 1: Guided tour of the old town of León.
For two hours, a guide will accompany you on a tour around the heart of the city. Emblematic corners of this historic city will be visited and you will have the opportunity to enjoy the most genuine part of the old town of León.

Activity 2: Monumental visit.
Leon Cathedral. 🔗 The *Pulchra leonina* or "beautiful leonese" is the most visited monument of the city and constitutes one of the most spectacular Gothic jewels of Spain. Started in the 13th century, its details include carved porches, colorful stained glass windows, glorious rosettes, as well as one of the oldest choirs in Spain and an organ that each year stars the International Organ Festival of the Cathedral of León. 🔗

Count Luna's Palace. 🔗 Built in the 14th century and located in the heart of the old town, it is currently the headquarters in Spain of the University of Washington and hosts the Interpretation Center for the History of the Kingdom of León.

Activity 3: Access to sports facilities.
You will be able to access the facilities of the Municipal Sports Center of La Palomera 🔗 on July 22 and 23, with swimming pool, recreation area and sports courts. To enjoy the facilities you must present the accreditation to the event.

4.5.- TRANSPORT PROGRAM

The organization offers private buses to facilitate transfers between venues.

Cybersecurity Summer BootCamp buses stop at the following points, depending on the location of the activity. You can check its location on the [map of the event](#). 🔗

- University of León (ULe). CRAI-TIC Building
- INCIBE Headquarters
- Auditorium City of León
- León Oeste Auditorium
- Santo Domingo. In this central place, all the buses of the event stop to facilitate access to attendees hosted in the city center.

In the bus program 🔗 attendees can check the routes of each service. This page is updated on a regular basis, we recommend to check it periodically to be aware of possible updates.

4.6.- DRESS CODE

In all activities of Cybersecurity Summer BootCamp the dress code will be casual, keeping the minimum decorum required in every community act.

5. ACCOMMODATION IN LEÓN

Cybersecurity
summer
bootcamp

LEÓN - 2017

5.1.- HOTELS IN LEÓN

The hotel offer in Leon is wide and varied. Depending on the needs of the visitor, the options range from a monastery of 16th century converted into a luxury parador, functional business hotels or cozy charming ones. Consulting the list of hotels in León 🔗 and its location on the map, 🔗 Cybersecurity Summer BootCamp attendees will be able to choose the accommodation that best suits their needs.

Emilio Hurtado Residential 🔗 is the official hosting of Cybersecurity Summer BootCamp. Located in the area of the University of León (ULe), one of the venues of the event, is a habitual option among students, professors and staff linked to the University.

It has 144 apartments with 3 single rooms, bathroom, living room and kitchen fully equipped.

How to make a reservation at the Residencial Emilio Hurtado:

Attendees to Cybersecurity Summer BootCamp through the Organization of American States (OAS). Once the attendance is confirmed, the organization will make the reservation directly on behalf of all the participants.

Rest of attendees. You should contact the Emilio Hurtado Residential🔗 directly, indicating that you will participate in the event

6. RESTORATION

Cybersecurity
summer
bootcamp

LEÓN - 2017

6.1.- Special organized meals

On July 18th, after the opening of Cybersecurity Summer BootCamp, we will all eat together at the Parador de San Marcos, 🔗 one of the most extraordinary monumental hotels in the country, offering a traditional cuisine.

On the day of the closing, Saturday July 29, the organization will offer all the attendants a catering in the Auditorium City of León.

The rest of the meals are not included in the program and you will be able to do it at your convenience.

6.2.- Lunch during training

Once the morning workshops are finished, you will have approximately two hours to eat before starting the afternoon session. In the map of the event 🔗 you can consult the restaurants near the University of León (ULe) and the INCIBE Headquarters, in case they may be of interest.

6.3.- Eating in León

We recommend that you take a look at the ranking of restaurants in León 🔗 so that you can choose according to your preferences. In the following articles you will be able to discover interesting aspects about Leonese gastronomy. *Following links are only in Spanish.*

🔗 Gastronomía leonesa (Leonese gastronomy)

🔗 Diez manjares muy leoneses (Ten very Lonesome delicacies)

🔗 León, la ciudad de la que todos hablan (Leon, the city everyone talks about)

🔗 La tradición de las tapas en León (The tradition of tapas in León)

7. WIFI ACCESS

Cybersecurity
summer
bootcamp

LEÓN – 2017

We have enabled WiFi networks in the INCIBE Headqarters and the University of León (ULe) so that you can be connected during the workshops.

You can also access the WiFi network from the Emilio Hurtado Residence. Upon your arrival we will provide the connection details.

The password for the INCIBE WiFi network changes daily. Each day we will communicate the new key to students who attend training activities in the INCIBE Headquarters.

INCIBE WiFi Access

8. MOVING AROUND THE CITY

Cybersecurity
summer
bootcamp

LEÓN - 2017

León is a small city and walking is almost always the best option. If you are staying in the city center, you can easily move almost anywhere in the city. Anyway, if you do not want to move on foot you also have other means of transport.

Public transport in León

- **Bus**

  - [Map of buses in León](#) 🔗

  Lines **4** and **12** connect Emilio Hurtado Residence with the city center of León.

  In the city center of Santo Domingo, most urban buses stop and operate as an interchange stop between the different lines of the city.

- **Taxis**

  - Radio-Taxi telephone numbers
    - (+34) 987 26 14 15
    - (+34) 987 07 03 05

  - [Map of Taxi stands in León](#) 🔗

- **On foot**

  - In the [map of the event](#) 🔗 we have included some standard walking routes so you can check distance and time for some common routes..

10. TOURISM IN LEÓN

Cybersecurity
summer
bootcamp

LEÓN – 2017

León is a wonderful city, combining an impressive historical architecture with a fresh and fun atmosphere.

Its impressive cathedral, one of the most beautiful in Spain, is a must see, although there is so much cultural wealth in the streets of Leon that it is difficult to choose which is the emblem of the city. During the day you will find a monumental and calm city, a must for pilgrims on the Camino de Santiago (World Heritage Site by UNESCO). At night León is taken by students, tourists and locals, which floods the narrow streets and squares of the picturesque old town, Barrio Húmedo. It is a fabulous mixture.
